What you will get in return:

Every Sunday from January 8th, 2006 to May 7, 2006 we will have approximately 60 High School volleyball players, and at least one parent, from 1:00 pm to 6:00 pm for practice.

In addition we will be hosting 5 Tournaments during the season which run from 8:00 am to 6:00 pm. There will be 80 to 100 players, and almost as many parents and siblings.

During this time you will have parents from all over looking for something to do or eat while their kids are not competing.

We will supply the players and their parents with a map to the establishments that are supporting the club. This map will contain a quick highlight of your products and services.
